Dear Mr. Koljonen,

I am reaching out on behalf of Tactus Technologies LLC. Tactus recently filed a patent infringement lawsuit against HMD Global in the United States District Court for the Eastern District of Texas. I have attached a copy of the complaint. Tactus is interested in licensing its portfolio to HMD. Please let me know if you (or someone else at HMD) is interested in setting up a call to discuss licensing of the Tactus patent portfolio and resolution of the recently filed litigation.

Best,
